Quarterly Report

Revenue grew 14% in the third quarter, driven by new contracts in the EU region and steady renewals in the US.

Customer highlights

- Enterprise: 42 accounts across nine countries, most of them renewing for at least two more years
- SMB: 310 accounts

1. Close the EU office lease
2. Hire two support engineers

Another paragraph that stands on its own after a gap.

Next steps

The board meets again in January.
